

Traitor
knight,

that lady you
murdered

raised me
like her
own child.

Chapter Two: White Enchantress*

*Shakti = Goddess in person = Kali,
Love = Kali + Kali's Holy = Love, which, pleasure.

Get up.

Even if you
can't behave
like a knight,
defend
yourself
like one.

Monsters
shouldn't
speak on
how to be
a knight!

Strength is to
protect the weak;
ability is to
serve not abate!

Who is the
monster here?

You're
no real
knight.

WHACK!

The top panel of the comic shows a character with dark hair and a red and white striped scarf being punched in the face by a large, muscular character. The punch is depicted with a large, jagged starburst effect. The word "WHACK!" is written in large, stylized letters across the impact. The background is a dark, rocky landscape.

I've finally got
you figured
out now,
pretty boy!

The bottom panel is a close-up of two characters' faces. On the left, a character with dark hair and a determined expression looks towards the right. On the right, a character with reddish hair and a wide, smug grin looks back at the first character. A speech bubble from the character on the right contains the text "I've finally got you figured out now, pretty boy!". The background is a dark, rocky landscape.

Ha..ha ha...
to you, even my
best defense...is
just full of holes.

Yet...you don't
have what it...
takes to kill a
man, do you...?

You're naught
but a sheep
dressed like
a wolf.

My lord
King, a boon.

For his crime in slaying
Lady Nyvere of the Lake,
I ask that Sir Balin be
banished from the Round
Table and Logres.
